

Learn About Pacific Northwest Weather

From amazing sunny views to icy IFR weather, the Pacific Northwest Region offers an abundance of flight environments. NOAA is providing an expert meteorologist, Treena Jensen, to walk pilots through weather patterns and weather products that make us better pilots.

Directions: Please feel welcome to climb the stairs inside or outside the FBO and find the upstairs classroom set up for this event.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
